RE: 2016 Expenditure Report

Bankruptcy Case No. 1: 15-bk-10003-MFW; EPA ID No. VID980536080

Dear Ms. Stein, Ms. Henry, Mr. Frankel, Mr. Walker:

The HOVENSA Environmental Response Trust (ERT) hereby submits the final expenditure report for all expenditures incurred between February 17, 2016, the effective date of the ERT, and December 31, 2016. This report updates the 2016 Expenditure Report submitted to your attention on December 19, 2016.

The December 19, 2016 report was submitted by the ERT in accordance with Section 3.2.2 of the February 17, 2016 ERT Agreement which states by January 1 of each year the ERT shall prepare and submit an annual report of expenditures. Upon further review, the ERT notes that Section 6.1 of the ERT Agreement states an expenditure report shall be submitted as soon as practicable after the end of each year. The ERT believes the intent is to have a single expenditure report submitted as soon as practicable upon completion of each calendar year and from here forward will adhere to the timing specified in Section 6.1 in regards to submitting the annual expenditure report.

As required, the budget for 2016 was submitted on April 15, within sixty days following the ERT effective date. Revisions were submitted on July 18 and October 13, 2016 and the budget has been approved by the United States Department of Justice (U.S. DOJ), Virgin Islands Department of

HOVENSA Environmental Response Trust

Planning and Natural Resources (VI DPNR), the Virgin Islands Attorney General and the United States Environmental Protection Agency (U.S. EPA).

The ERT operated within budget in 2016; total expenditures for 2016 are \$5,999,495.80 which is below the budgeted amount of \$8,142,603. Some notable differences between the budgeted amounts and estimated actuals include:

- \$1,000,000 was not expended in 2016 as budgeted for removal of materials from the Scrap Metal / Recycle Yard. This work is scheduled to begin in 2017 and the \$1,000,000 has been rolled into in the 2017 budget.
- Due to process improvements and deferral of some work items, an estimated \$597,103.48 was not expended from the Corrective Action / Remediation / Hydrocarbon Recovery line item.
- The ERT has not yet been directed to release funds for the PRI Consent Decree Water and Power Authority (WAPA) project and this resulted in an excess of \$397,320.08 in the 2016 budget. These funds are included in the 2017 budget and the ERT is prepared to distribute the funds as directed.
- The Marine Impact Study, directed by DPNR, began as anticipated in 2016 and the ERT has distributed \$280,000 of the \$320,000 allocated for this project. Completion of the study is anticipated in 2017 and the remaining \$40,000 for this project is scheduled for payment in 2017.

In addition to the enclosed report of estimated expenditures for 2016, a summary table of 2016 invoices is attached and copies of all invoices are provided on the thumb drive included with this report.

If additional information is required, please contact Carey Guilbeau at (340) 692-3179.

Sincerely,

Roberto Puga, P.G.
